"Pima College was just perfect... a great way to get all the classes I needed!"

> — Jennie Mashburn Studying elementary education

If you're having a problem getting the "Gen Ed" classes you need, consider Pima College. We'll probably have the class you need at the time you want – daytime, evening, even weekends. We're convenient (6 modern campuses) and all credits will transfer to the University and keep you on track.

And, PCC is just \$42/credit for Arizona residents.

It may be perfect for you.

For more information, please call 206-4500 or visit www.pima.edu.

**PimaCommunityCollege** You can get there from here.
