1st drawing will consist of everyone that signs a lease during that calendar month. So if 50 people sign a lease during February you would have a 1 in 50 chance at winning the \$500.00. If you don't get your Name picked you still have up to 5 more chances to win! We will also be drawing a winner every month from a list of everyone that has signed a lease with Entrada Real for the '04-'05 school year. So if you sign a lease in February and don't win that Drawing you still have a chance to win \$500.00 every month until we are 100% leased. Any remaining money will then go into a pot for a Drawing that will be held at a Resident Party the weekend after move-in.
