QUICK HITS

State of health of Tucson with Arizona Attorney General

Tucson's business will have the opportunity to address the most pressing issues facing the Tucson area during the Arizona Attorney General's State of Health of Tucson. The Tucson Chamber of Commerce will host the event on Tuesday, February 26, 10 a.m. to 12 p.m. at the Tucson Convention Center. The event will feature a keynote address by Attorney General Tom Horne, followed by a panel discussion with local business leaders. Tickets are \$100, and the event is open to the public. For more information, contact the Tucson Chamber of Commerce at 520-224-1111.

Spring Fraternity Rush starts this weekend

The annual Spring Fraternity Rush is set to begin on Saturday, January 26, at the University of Arizona. The event is a time for fraternities to recruit new members. The University of Arizona Fraternity Council will host the event at the Tucson Convention Center. The event will feature a variety of activities, including networking, social events, and information sessions. Tickets are \$100, and the event is open to the public. For more information, contact the University of Arizona Fraternity Council at 520-224-1111.

Biology research event tomorrow

The University of Arizona's Biology Department is hosting a research event on Tuesday, January 22, at the University of Arizona. The event will feature a variety of activities, including networking, social events, and information sessions. Tickets are \$100, and the event is open to the public. For more information, contact the University of Arizona Biology Department at 520-224-1111.

DARING DANISH

The Danish Danish T-10 is a team of 10 acrobats who perform a variety of balancing acts. The team is known for its precision and teamwork. They have performed in many countries and have won several awards. The team is currently touring the United States.

Tucson hospitable to Danish acrobatics team

The Danish T-10 acrobatic team is performing in Tucson, Arizona, for the first time. The team consists of 10 members who are experts in balancing acts.
